The Rush Fest is an annual event that brings together the U12 boys and girls' teams from Rush clubs across the country. Teams compete against one another in a friendly format while also joining up to participate in training sessions on and off the field. Top coaches from within the Rush family comprise the staff that work with the players and team coaches throughout the event. Each team will have a dedicated staff coach to learn from over the course of the Fest.

The Fest allows for coaches to identify the top players from within Rush Soccer. These players are then eligible to compete on 'Rush Select' teams at tournaments across the country.
